USCENTCOM Commander's Welcome Letter

UNITED STATES CENTRAL COMMAND
OFFICE OF THE COMMANDER
7115 SOUTH BOUNDARY BOULEVARD
MACDILL AIR FORCE BASE, FLORIDA 33621-5101

Welcome and congratulations on your assignment to United States Central Command (USCENTCOM).

USCENTCOM is our nation's premier warfighting combatant command, responsible for the planning and conduct of military operations throughout the Middle East and parts of South and Central Asia. The command faces a number of difficult challenges within our area of responsibility (AOR), to include the conflicts in Syria and Iraq, heightened tensions with Iran, violent extremism and terrorism, and ongoing combat operations in Afghanistan. It is a very complex and volatile region, and our mission is tough and demanding. I am confident you will find your USCENTCOM experience to be extremely rewarding given the region's strategic importance to the world.

Today, together with our coalition partners, the men and women of USCENTCOM are continuing to help achieve and promote increased security, stability, and prosperity throughout the AOR. The area is rich in history and defined as much by cultural and ethnic diversity, as it is by past and current conflicts and regional disputes. I would urge you to study the history of the command and the region, understanding this context will prove invaluable to you as a contributing member of the organization.

Of course, our priority efforts each day are in support of the Soldiers, Sailors, Airmen, Marines, Coastguardsmen, and civilians working under harsh conditions and in difficult and dangerous places around the world. Our shared goal should be to do all we can to help alleviate their burden and to hasten the safe and successful completion of their mission. In the same vein, we must remember requests from our component commands are never interruptions to our daily routine, but rather the reason our headquarters exists.

You will undoubtedly do important work while assigned to USCENTCOM. As such, I need you be at the top of your game physically and mentally. Set aside time to work out, read, study your craft, reflect, and be with your family, striking the best possible balance between on-duty and off-duty pursuits in the midst of a high operational tempo. Leave time is essential to maintaining your health, so lead by example and ensure subordinates are doing the same.

Finally, help us to ensure your families are cared for properly. Our loved ones support our efforts and enable our service, and in doing so, they too make enormous sacrifices on behalf of our nation. They are incredibly inspiring and we owe them a debt of gratitude. Please pass my personal and sincere thanks and pledge of support to your family. We are glad you are joining the USCENTCOM team and look forward to sharing what is sure to be a demanding and rewarding tour of duty.

Welcome Aboard!

KENNETH F. MCKENZIE, JR.
General, U.S. Marines

Hiring Our Heroes

The Hiring Our Heroes Military Spouse Professional Network (MSPN) provides military spouses with career development and networking opportunities. Four initiatives are provided in Tampa Bay area.

- **Hiring Our Heroes MSPN** (Military Spouse Professional Network) – led by Debbra Hooks (tampa@hiringourheroes.org) is a professional networking group for military spouses, active on Facebook and LinkedIn and with monthly in-person events (when possible, currently largely via zoom/webinars). Spouses can share information about local employment opportunities. The monthly (or so) events bring spouses together to meet and support each other and provide ample room for mentorship, friendship, and relationship building. Local speakers related to employment or professional development welcome and encourage military spouses to join in the monthly events. <https://www.facebook.com/groups/MSPNTampa>
- **MSPN is for military spouses.** This includes both those who are new to the area and those who are established and maybe want to give back and support others.
- **Hiring Our Heroes MSEEZ** (Military Spouse Economic Employment Zone) In 2019, Hiring Our Heroes and a coalition of local business, civic, and military communities designated Tampa a Military Spouse Economic Empowerment Zone (MSEEZ) because of Tampa's potential to lead the nation in military spouse employment. The MSEEZ is a working group of local employers and military spouse employment advocates and meets quarterly. Businesses are invited to get involved by [signing up here](#) and/or contact the Katie Lopez, Tampa MSEEZ Chair, at Klopez@tampachamber.com.
- **MSEEZ is for employers.** This includes both those who are already supporting military spouse employment and those who want to learn and understand more about how to support military spouse employment.
- **Hiring Our Heroes MSFP** (Military Spouse Fellowship Program): a 6-week long fellowship program run three times per year in January, May, and August. **MSFP is for military spouses and employers.** Military Spouses apply to the program, and if they meet the eligibility requirements, their resume is sent out to a list of employers. If an employer offers the candidate a fellowship, spouses are paid a \$15 per hour stipend Monday – Thursday. On Fridays they participate in professional development training. At the end of the fellowship (or at any point during the fellowship) the military spouse fellows will hopefully have a chance to interview for a full-time role. For more information contact ajohnston@uschamber.com.
